EDUCATION

University of California, Davis, Ph.D. candidate Physical Hydrology expected 2020
University of California, Berkeley, B.S. Biology & minor in Conflict Resolution 2011

EMPLOYMENT

University of California, Davis:

Graduate Student Researcher	2015–present
NSF IGERT Fellow in Climate Change, Water, and Society	2015–2017
U.S./China Clean Energy Research Center Researcher	2015–present
Data Science Initiative Affiliate	2017–present
UC Water Graduate Researcher	2017–present
Graduate Student Assembly Representative	2016–present

National Geographic Student Expeditions:

Expedition Leader (Thailand)	2016
------------------------------	------

NatureBridge, Yosemite National Park & Golden Gate National Recreation Area:

Environmental Science Educator	2013–2014
Assistant Principal	2014–2015

San Mateo County Office of Education:

Environmental Science Educator	2012–2013
--------------------------------	-----------

University of California, Davis:

Biological Science Technician	2012
